

# Performance Information for all Tuesday classes :

## **Performance Location, Date, and Time:**

**December 13th, 3:15 PM, at Life Care Center of Cheyenne**

**1330 Prairie Ave, Cheyenne, WY 82009**

**IMPORTANT!** On the day of the performance, we will meet at Rhema Covenant Church first to get everyone dressed and ready! All dancers must arrive at the church at 1:30 PM. We will not be allowing food or snacks, just water bottles, so please make sure your dancer eats lunch before coming to the church!

**All dancers will need to arrive in full costume and with their hair done!** Please refer to the costume information document for your dancer's class to make sure you have her in the right costume and hairstyle :)

**ALSO IMPORTANT:** This performance will be a little different from the times we have performed at nursing homes in the past. Unfortunately we don't have quite as big of an area to perform in, so at most, **we can only allow one or two family members per dancer** to watch the performance. However, we will be rehearsing the dances, in full costume, at Rhema before heading over to Life Care, and we strongly encourage you to come and watch your dancer then instead! We also **invite family and friends to come and watch our last class on Tuesday, December 9th**, as a second Observation Day, to give you more opportunity to get to watch your dancer perform her full dance. Thank you for understanding! And as always, we will video the performance at Life Care and send it to you!

**After we get the girls all ready and we have rehearsed the dances**, we will head over to our performance location, Life Care Center of Cheyenne! Please read the schedule below for the full run-down of the performance day :)
