Set Apart Girls DANCE CO. Fall 2026 Information

GENERAL CLASS INFORMATION :

Classes are held once a week. All classes besides Ballet Technique are worship dance classes.

- **Worship dance classes** include a devotion and prayer time, stretches and ballet exercises, and learning worship dance choreography for a dance they will perform at the end of the semester. Dancers won't attend multiple worship dance classes, just one of the classes that is offered for their age group (*for example, a dancer would attend just Set Apart 2C, not Set Apart 2C and 2B*). All Set Apart classes are expected to participate in the end-of-semester performance for their class.
- **Ballet Technique** is a supplemental class that can be taken in addition to a worship dance class. We will not be doing a performance for this class. The class is designed to add to and strengthen students' skills and foundation in dance, as well as help with any steps that students are struggling with in their worship dance class. It is for students ages 9 and up (*depending on the interest level, we may open another ballet technique class for younger dancers in the spring*). Students must be enrolled in a worship dance class in order to attend ballet technique.

CLASS EXPECTATIONS:

Class Attendance : Attendance is very important! Each week of class builds on what has been learned in the previous weeks, and missing multiple classes means having to work a lot harder to keep up with the class. This is also hard on both teachers and classmates. We understand that some absences are unavoidable, but please make dance class attendance a high priority, so that we will be ready for our performance! If your dancer will have to miss a class, please let Jordan know ahead of time (via text or call) to excuse their absence. Also, parent observation of dance classes is not normally allowed. This is to help us with keeping the girls focused in class. We have Observation Day, once per semester, as the day for parents to come watch their child in class. For questions about sitting in on additional classes, please ask Ms. Jordan. Thank you for understanding!

Dress Code: Modest dancewear is a requirement for our classes!

- ◆ Black or other plain dark colored leggings/exercise pants, and if desired, a skirt that is above the knee and is easy to move and stretch in! No shorts, please!
- ◆ A loose fitting shirt that is comfortable, cool, and provides good coverage in all ranges of movement (no crop-tops, low necklines, etc.) Modest sleeveless tops are acceptable. If you are unsure about if a shirt meets our standards, feel free to ask your teacher about it!
- ◆ Pink ballet shoes
- ◆ Hair must be pulled back from the face. A bun, ponytail, or braid will work great!

Set Apart Girls DANCE CO. Fall 2026 Information

REGISTRATION and PRICING

Registration: We require a \$20 registration fee to reserve your dancer's spot in class. This must be paid before classes begin, and is non-refundable. To register for dance, please visit our website, setapartgirls.dance, go to the CLASSES page, and fill out the registration form! If you are interested in also registering your dancer for the ballet technique class, there will be an option you can select on the form for that. **We do not require an additional registration fee for Ballet Technique.**

****For those of you who were a part of our Spring 2026 semester**, as long as your information is all still the same, I have a shorter form you can fill out instead of the normal one. The link to this form is directly below the normal form on the website.

REGISTRATION CUTOFF: Worship dance class registration will close before the semester begins. We can't take extra students for these classes in the middle of the semester. However, our ballet technique class can be added to (as long as we still have room in the class) at the beginning of each month. Text or email Jordan if your dancer is interested in joining this class in the middle of the semester, and we will get her added in!

Tuition / Payment Options: We have different rates and payment options for our worship dance classes and our ballet technique class.

- ♦ **Worship Dance Classes:** Tuition for all worship dance classes is **\$130 per dancer**, for a 12 week semester. **This does not include the registration fee. So, the total for the semester, including registration, is \$150.** This price is the same for the adult class. You are welcome to pay the full amount up-front, break it into monthly payments, or pay the tuition remainder at the end of the semester. Tuition must be paid in full by the performance date, at latest.
- ♦ **Ballet Technique:** Tuition for this class is **\$20 per month. So, a complete semester will be \$60.** This class does not need to have a full semester commitment; you are free to commit by month, and dancers are welcome to join this class at the beginning of any month (as long as we have room). Communication is important, so please notify Jordan in advance if you plan to stop attending this class mid-semester. Pay by month, or for the whole semester if you plan to attend the whole time.

Discounts: We do have a couple of discounts available!

-EARLY BIRD DISCOUNT (*not applicable for Ballet Technique*): If you pay the full tuition before the first day of class, you will receive a \$15 discount per dancer!

-FAMILY DISCOUNT: If you are signing more than one child up for dance (or yourself for the adult class), we offer a Family Discount of 10% off your total payment!

-YES, discounts may be stacked!

As always, feel free to contact us with any other questions you may have!

“Let them praise His Name with the dance!” Psalm 145:3
